Re: *Report Regarding Layoff of AT&T Employees in Arizona Pursuant to Decision No. 68865; Docket Nos. T-02428A-06-0203, T-03016A-06-0203, T-03116A-06-0203, T-03287A-06-0203, T-03346A-06-0203*

Dear Mr. Olea,

On behalf of AT&T Inc. ("AT&T"), the purpose of this report is to provide information regarding two (2) AT&T employees located in Arizona that were given notice of a surplus condition. No facility closure was involved. This report is provided pursuant to the third ordering paragraph of Decision No. 68865.

The layoffs were intended to improve efficiencies and reduce business expenses. The reduction involved one management employee in the Customer Experience Engineering organization and one management employee in the Service Quality Management organization. In an effort to redeploy the employees within AT&T, they retained access to the internal AT&T job search system. One employee found another position within AT&T and was retained and one was unable to locate another position within AT&T, and thus was laid off. If you have any questions regarding this report, please feel free to contact me at (512) 330-1698.

Very truly yours,

Sharon Mullin  
Director  
AT&T Services, Inc.
